

Sweeny Independent School District

A Texas Education Agency Exemplary District

1310 Elm Street
Sweeny, Texas 77480

*Our Students Make Us Proud...
Our Teachers Make the Difference.*

April 30, 2009

Dear Parents and Guardians:

I hope you received the letter we sent home earlier in the week regarding the Swine Flu. Fortunately, there are still no known cases in Brazoria County. However, this potential pandemic must be taken seriously.

Sweeny ISD will take every reasonable precaution to keep your children safe. The University Interscholastic League (UIL) has cancelled all academic, arts, and athletic competition through May 11th. Sweeny ISD has cancelled all student out-of-district travel, including field trips, through May 11th. At this time, all in-district activities such as performances, practices, and other student activities will continue as scheduled. This decision was made in coordination with surrounding school districts and county officials, as well as the Brazoria County Health Department.

You may refer to the Sweeny ISD website for information regarding prevention of the disease. If you do not have access to the website, contact your campus principal for a copy of the information.

Finally, this is a serious disease, but it is not time to panic. If your child is ill, please do not send them to school and please seek appropriate medical attention.

Thank you for allowing us to work with your most valuable possession, your children.

Sincerely,

Randy Miksch
Superintendent
