

The Barker

Sweeny High School

Vol.2 No. 1

September 08

Welcome Back!

We hope everyone had a wonderful summer! After all the excitement it is time to start a brand new school year. This year Mercedes Salazar, Kyra Sutton, Lizzie Barnett and Stephanie Mooney will be working on *The Barker*. We are looking forward to keeping you informed about what is happening at our school.

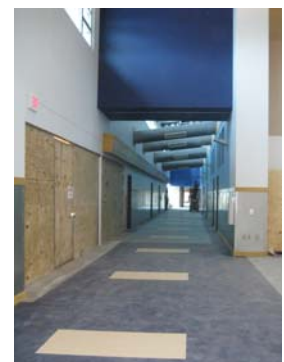

-The Barker staff ♥

Construction Continues

I know that we all can't wait until we move into our new school, but fortunately it won't be too much longer. Mr. Kluttz says, "It's coming along really well." There was a delay in the process because of the 58 rain days we experienced last school year, but as of now the construction is coming along as expected. We were supposed to start the new school year in parts of the building but the glasswork needed for those areas did not come in. There is going to be a lot of glass in the new school, that should be delivered to us from the east coast but due to a hurricane in that area the shipment has been delayed, therefore causing our school more delays. You will be happy to know that we are expected to be in the new building sometime before Christmas. The newspaper staff took a tour of the soon to be Sweeny High School and were very impressed. "The new look of the school is very interesting and futuristic. I can hardly wait," says Mercedes Salazar. The construction superintendent, Paul Pavlov tells us, "You guys are going to be happy eventually."

-Lizzie Barnett♥

Important Information

Postponed!!!
Open House
Scheduled for
Monday,
September 8
will be held at a
later date

Family Access

If you would like to check your student's grades and attendance online, sign up for Family Access. Go to the SISD website and click on Family Access Form. Fill it out and turn it in!!

School Pictures
Tuesday, September 30
